## ST. ALBANS COACH IS LEARNING GAME AT HARVARD SCHOOL

T. C. Hudson Studies Football Under Reiter, With Prominent Tutors.

By BRYAN MORSE.

Intercollegiate football next fall should see some real up-to-date work on the part of St. Albans School, as Coach T. C. Hudson, newly appointed at the Wisconsin avenue institution, is working out daily at the Harvard summer school for coaches, according to reports from Boston.

Coaches from all corners of the country are attending D. Dudley Sargent's summer school, and are swapping new plays and learning the polished technique from "Bossy" Reiter, of Lehigh.

The class, numbering about twenty-five, meets daily at 4 o'clock in the Hemenway gymnasium, where a special apartment has been fitted up for use. There is a small blackboard room for "skull practice" and a larger space for actual work, the floor of which is heavily protected with canvas.

Reiter says that one of the chief purposes of his course this year is a generous interchange of views. With his own knowledge of the game coming into play with the brains of his pupils, there is little doubt that a valuable product will result.

Half an hour will be occupied every day in the discussion of theory, plays and field strategy. Then the experts will devote the remainder of the time to working out the practical side of the subject.

Then, after delving into the scientific depths of advanced football, he proceeded to show what he could not explain otherwise with a falling dummy and a lot of mats. "This is going to be hot and unaccustomed work some of these days," he said, when he got to his feet after a few hard tackles.

The course, as it is mapped out, will take up offense, defense, team play, individual positions, field tactics, and moral factors relating to the game.

Coach Hudson is among the coaches taking the course, and was appointed last spring to succeed George P. Green who takes up his duties at Tome Institute the last of September.

Hector Aury, whose sensational work in the sprinters around New York and New Haven, this summer has earned him considerable fame, failed to shine to any great degree here last year, while at Georgetown he never got going for John O'Reilly and was a distinct disappointment in view of the fact that he was the junior champion in the 100 yards.

Aury is slated to enter Yale according to all reports.

Invitations have been sent out this week to tennis players throughout West Virginia to the annual West Virginia championship tennis tournament, which starts at Parkersburg on August 1. The State have been invited to send representatives.

Recent defeats of J. Ballard Moore, District champion, are laid at the door of a change of style of game. Moore, it is understood, is endeavoring to develop a stroke game and is discarding the chop which has carried him to so many victories. George Lewis, one of the hardest hitters on local courts, and Lou Dople, ranking players on the Departmental League team, recently defeated Moore in the Washington Tennis Association matches.

The time is about near when Henry Brock will know whether he can take the trip to Chicago to play for the sectional doubles title. Brock may be unable to make the going with Connors Doyle. The Washington pair is expected to rank about third in competition there. Davis and Church and McLoughlin and Dawson are rated above the Washingtonians who are sure to be able to give a good account of themselves.

Postponed games in the Departmental League have been set during the week by Secretary Doyle in an endeavor to close up the five engagements which were called off on account of rain.

Tomorrow Smithsonian and Treasury will play at Sixth and B streets northwest, and on August 3 the Commissioners and Postoffice will play at the same place. Interior and Treasury will take their players to the Columbia Country Club courts for matches the same day.

On August 7, Smithsonian and Labor-State will engage in a match at the Princeton Courts. On the next day the Aggies and Government Printing Office players will meet at Sixth and B streets.

Today War, which is leading the Departmental League, is meeting the Justice-Trade combination in what promises to be a first-rate engagement. At the conclusion of the

## Several Other Things Can Be Finished, Too

Time means nothing to most golfers on the links. The average time it takes for four men to play a four-ball match, unless they are very expert, is more than three hours.

In the time it takes them to play eighteen holes and reckon the result, the following games could be played:

Two games of baseball.  
Two games of football.  
From 10 to 56 games of Kelly pool.  
Four games of basketball.  
Bowl a dozen or more games.  
Twelve games of pinchle.  
Box sixty rounds.  
Motor race, 300 miles or so.  
Or, make one move in chess.  
But still golfers stand pat by the ancient and honorable sport, unalarmed at the fugit of tempus.

matches the Navy will go on against the Commerce team. A clean-up for Navy will give the team a grand chance for the leadership.

Teams from the Racquet and Home Clubs, representing Nos. 3 and 4 in doubles, met yesterday in part of the postponed program in the Suburban League, and the Racquet Club players were victorious. Several matches are to be run off today in the Racquet-Home Club settees from the July 15 postponement. Argyle and Bureau of Standards are expected to play off their matches today.

## MURRAY WILL PLAY WITH WESTERN TEAM

Indoor Champion Casts His Lot With Invaders for Week-End Matches.

New York, July 31.—The announcement that Robert Lindley Murray, the national indoor tennis champion, would play with the Pacific Coast team in the West vs. East matches at the West Side Tennis Club, next Friday and Saturday, came as a big surprise to followers of the game throughout the country. Although Murray is a native son, his home being in Palo Alto, he has been living in Bayonne for a year and is expected to make his permanent residence in the East. The fact that Murray had not been in this section for a year made him ineligible to play on the Eastern team and it was on his own request and that of the Pacific Coast Association that he was granted permission to play with the Pacific Coast team.

It is likely that in future inter-sectional matches Murray will represent the East, as he is going to make Buffalo his permanent home after the finish of the tennis season. The stands are now in readiness to seat 7,000 persons, and the courts are in perfect condition.

Play in the open tennis tournament of the Crescent Athletic Club will get off to a start on the club's grass courts in Brooklyn today. Among the entries is Ichijima Kumagae, the Japanese champion. K. Lindley Murray, the national indoor champion, will also compete. The draw follows:

Parker vs. H. K. Sturges vs. Robert F. Hunter; Roland Roberts vs. Francis T. Guilbert; Gwynne French vs. E. F. Thomas; L. W. Fisher vs. H. Vosnell; H. A. Cohen vs. F. S. Appleby; G. M. Bull, Jr. vs. Walter L. Pate; B. W. Stalk vs. Arthur S. Cragin.

Lower half—Walter Merrill Hall vs. Charles Chambers; B. M. Phillips vs. Charles L. Johnston, Jr.; L. Maxwell Banks vs. James S. O'Neale, Jr.; E. W. Page vs. Whiting Preston; Frank F. Page vs. R. M. First round, Byes (lower half)—William L. Browne meets winner of J. L. Jandani vs. H. Mercer match; Eugene Warren vs. J. R. Fell; Leonard Beckman vs. Arthur Coffey.

## Robert H. Young Calls Association Meeting

Amateur Baseball Head Ready to Take Up Protested Game in Potomac League, Along With Other Matters Relative to Post-Season Series.

The Amateur Baseball Association of the District will meet at Spaulding's store on Friday night at 8 o'clock, according to a notice sent out by President Robert H. Young today.

Several important matters will come up for consideration at the meeting Friday, among which is the protested game in the Potomac League between Steel Plant and Bureau in which umpire Woodward declared a forfeit to Bureau. The post season sectional and inter-sectional series is also due for consideration. The Railroad Y. M. C. A., Potomac League, Catholic Church League, East Washington Sunday School League and Government League will probably nominate their winners which will take part in the post season series.

Holy Name, winner of the first series in the Catholic Church League, will play St. Margaret's tomorrow and Florida avenue for the title of winner of the second half of the series. A win for the Holy Name team will gain the league leadership and the right to enter the post season series for the District amateur championship.

Today's game is much sought after by the St. Margaret's team, as it will mean that Holy Name will have to play off a series for the title. Yesterday's game in the circuit was won by Holy Name over St. Peter's by a 2-to-1 score. The contest went the full route.

McCarthy, Behrle, playing for Holy Name, contributed largely to the success of the team by timely clutching. Greer's batting for the losers was the feature. F. S. Bell, of Holy Name, had a bit the better of Greer.

By virtue of wins in Alexandria in the northern Virginia amateur championship series the Cardinals, Clarendon, and Eagles are tied for the leadership of the league. The Cardinals, however, have a 4-to-1 defeat yesterday, although Lefty White allowed the Cardinals but three hits.

Clarendon took the White Sox into line with a 7-to-2 score. Baxter Davidson's hitting, with that of Ray King, was the sensation of the battle.

Hyattsville defeated the National Capital Press yesterday afternoon on the former's diamond by a 7-to-4 score. Hyattsville's Hyatt, pitcher, pitched a good ball, striking out fourteen and allowing but six hits. Hawkshaw, the winners' catcher, had a perfect day with the stick, getting two hits out of as many times up.

Clarendon, the losers' first-sacker, had a very good day itself, accepting twelve chances without a miscue.

Scoring seven runs in the second inning proved enough for Marines to win their game from Rex, the score being 8 to 5. Bases on balls caused Grant, the Marines' pitcher, to give in his eighth inning. Grant issued five free tickets. A score went into the winners' camp in the seventh, as the clubmen scored four runs by staging a game rally.

The fast traveling Berwyn nine put a game over yesterday afternoon on the Royal A. C. of this city. The score was 8 to 5. Both pitchers were batted hard, but Berwyn seemed to bat better. The Hyattsville pitcher, while Royal tried to follow the tactics but only succeeded once, that being in the third frame, when they scored all of their runs.

President J. W. Marbury, of the Potomac League, is looking forward to a large crowd for today's Steel Plant-Bureau battle. The game will decide the winner of the second series. Steel Plant is expected to produce the goods. A final series will be arranged at the conclusion of the second series.

Today's games in amateur circles are as follows: Potomac League—Steel Plant vs. Bureau.

Catholic Church League—Holy Name vs. St. Margaret's.

Rosedale League—Printers vs. Rosedale.

W. S. S. League—Keller vs. Fifth.

Government League—S. W. N. vs. Treasury.

Washington Amateur League—S. S. C. vs. Chertemps Juniors; Manhattan vs. Royals; Regents vs. Trojans; Truxton vs. Fraternity.

Capital City League—Dixie A. C. vs. Shamrocks.

plate. Haynes held up Dries in fine style, and of the twenty-one chances offered him, not an error was made.

The Capital City League, the junior circuit of the Washington Amateur Baseball League, opened its season on Saturday with a game between the Orioles A. C. and the Ironclads. The game ended in a 2-to-2 tie, being called in the eighth on account of darkness. The Orioles scored both of their runs in the eighth frame on two walks, a hit, and a sacrifice fly. The game was fast and a great deal of "pep" was displayed by both teams.

The league officials are slated over the opening, and hope that the season interest that was shown Saturday will be shown until the end of the season.

A. Klalluk, manager of the Phoenix A. C., announces the following line-up for the opening league game of the Capital City League with the National A. C. tomorrow, at Fifth and Florida avenue northeast. Line, catcher; Tauber, catcher; Rook, pitcher; Ourand, pitcher; Shapiro, third base; Miller, right field; Brauner, first base; Mostyn, shortstop; Klalluk, second base; Donaldson, left field; French, right field.

The Phoenix A. C. plays its second league game Friday at the same grounds. There will be a meeting of the club at its headquarters, 1431 Sixth street northwest, Friday evening.

In an extra inning game yesterday, the Palms Royal team defeated the strong Mohawk club by the 13-to-8 score. The game went for eleven innings, and there was a great deal of rag chewing by both sides on account of the umpire's decisions.

## JACK KELLY COMES HERE FOR REGATTA

Philadelphia Iron Man Sculler Sure to Be Entered in Labor Day Event.

Washington will probably entertain one of the best oarsmen in the country in the person of John B. Kelly, the "Iron Man" of the Vesper Rowing Club, of Philadelphia, in the regatta to be held here Labor Day.

Kelly is at present preparing for the Duluth regatta, which is the championship event of the year, and is at present in fine condition. The Philadelphia marvel is expected here with the Penn men on Labor Day.

Much has been written of the Philadelphia regatta, and the Philadelphia regatta is expected to be one of the best of the season. He has won several races here, and has won the national single sculls championship at Duluth, and with Walter Smith is taking a flier at the doubles title. In addition Kelly will row Smith and two others in the senior centipede race so that he is said to be a regular "iron man."

Plans are under way for the biggest regatta in the history of rowing here. Both Potomac and Annapolis are putting every available man in action in preparation for the actual competition. Besides the Potomacs have all their committees making things hum for the success of the affair.

Officials Selected.

Officers, committees, and racing officials for the Middle States Regatta on Labor Day were announced yesterday.

The double referee system will be employed, and Commodore George G. Melloy, of the Scuykill Navy, of Philadelphia, and John O. Regan, of the Metropolitan Rowing Club, will be the referees.
